

Logging into Google Classroom for the first time

Find your EduPass login card.
If you don't have a login card, please contact the office.

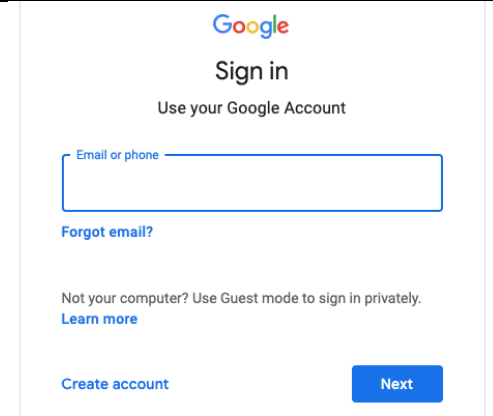

Make sure you are connected to the internet

Open Google Chrome
Go to classroom.google.com
Click Go to Classroom.

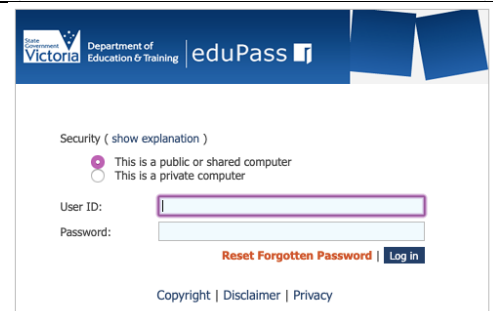

Type in the email address on your EduPass login card
Click Next

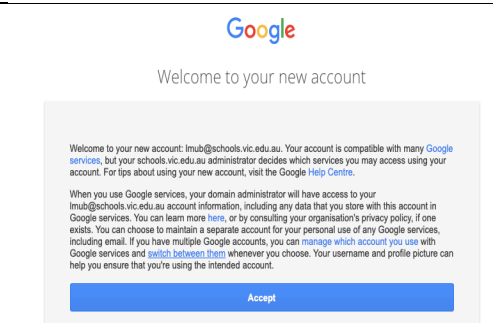

Type in the username and password on your EduPass login card.

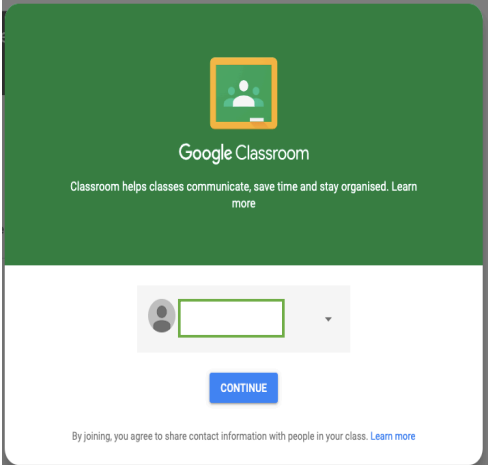

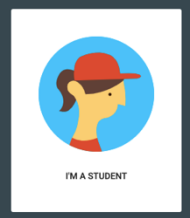

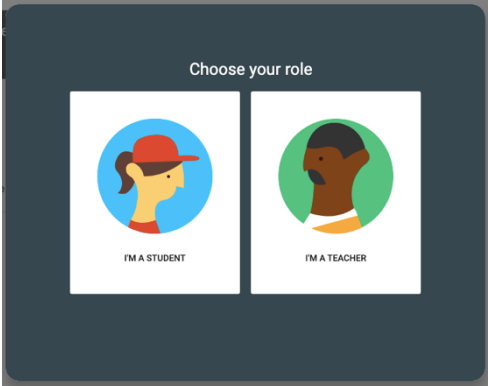

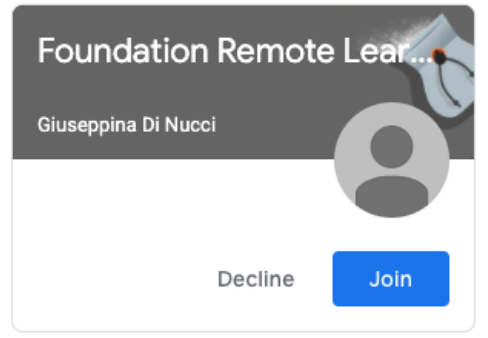

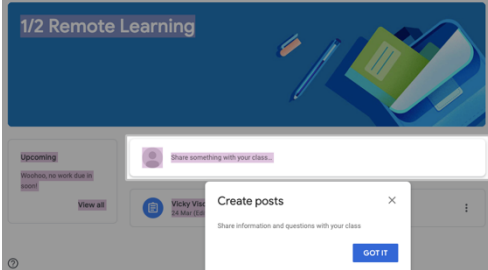

Click Log in

A window may pop up welcoming you to your new account.
Read the agreement and press Accept.

Logging into Google Classroom for the first time

<p>A window may pop up that shows your full name and your email address.</p> <p>Click Continue</p> 	
<p>You may be asked to choose your role. Select I am a Student</p> 	
<p>Once you are logged in you will see any classes your teachers have created.</p> <p>If you have been invited to any new classes click join.</p> 	
<p>When you first visit the class you may see some tips. Read the tips and then click Got it</p> 	
<p>Hooray! You are now in your Google Classroom.</p> <p>This is where your teacher will put your learning activities. Click the classwork tab to find any work your teacher has given you.</p>
