

**FAWKNER PRIMARY SCHOOL**

# FAMILY GARDEN CLUB

*Every Wednesday before school  
8:00-8:45am*

**HELP GROW FOOD TO FEED OUR  
WONDERFUL COMMUNITY**

All parents and kids welcome!

# BEFORE-SCHOOL FAMILY GARDENING

STARTS WEDNESDAY 24 FEBRUARY

## Parents and kids,

Join us in the garden every Wednesday before school to grow food for our community.

Learn all about taking care of a garden, how to grow different food plants, and even help us decide what to plant this year!

There are lots of gardening activities to do, like weeding, planting and harvesting. We'll even get to cook with and eat our produce.

Beginners and experienced gardeners welcomed!

Please note that all kids must have a parent with them as teachers do not begin morning Yard Duty until 8:45am.

### *Meet the gardener*

Jeanette is a Fawkner local who loves growing, cooking, and eating food. She is passionate about education and is going to be a teacher in the near future. She loves cooking for friends and family and believes that food is a great way to bring people from many different cultures together.

*Fawkner Primary School Garden Club takes place on Wurundjeri Country. This project is proudly funded by the Moreland Social Cohesion Partnership Program in collaboration with Fawkner Food Bowls.*
