Dear Parent/Guardian,

Fawkner Primary School is looking forward to another great year of teaching and learning and would like to advise you of Fawkner Primary School's voluntary financial contributions for 2022.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. The continued support from our families ensures that we can provide excellent facilities and resources for our students. If families, choose to make a financial contribution to our school it assists us in providing quality resources and programs to our students.

This support has allowed us to ensure students have access to the latest technology especially our junior school iPad program, we have been able to provide our students with quality stationery items, access to online educational interactive programs and current Maths and English resources for use in the classroom plus excellent sports equipment.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Roger Pell
Principal
