Our students can only reach their full educational potential when they feel happy, healthy, and safe, and when there is a positive school culture that is fair and respectful to everybody. We aim to provide an education that helps children learn positive educational and life skills, where the children are challenged and encouraged to explore and learn.

MISSION

Fawkner Primary School's mission is to provide a caring and dynamic learning environment, catering for Foundation to Grade 6 students, that supports academic and personal growth

for all students, equipping them with the skills, values, and behaviours necessary to become effective and informed members of local and global communities.

At Fawkner Primary school we continually strive to foster a healthy school culture in which high levels of achievement take place within a positive social environment through engagement and intrinsic motivation.

We believe:

- The welfare and education of the children is our number one priority.
- The key to developing a positive learning environment is to build positive relations between the children, school staff and parents.
- All children are capable learners and have the right to a quality education.
- We have a responsibility to help each child achieve to their maximum potential.
- Every child is different, and they each learn in different ways.
- We should cater for the learning styles, needs and abilities of every child.
- Education has a greater chance of succeeding when the children are motivated to learn from within themselves, rather than others telling them that they have to learn.

- Quality, responsible citizens, both now and in the future
- Able to survive and thrive in the 21st century
- Motivated, focussed independent learners and thinkers.

Fawkner Primary School’s values are:

Respect, Kindness, Honesty, Responsibility and Effort

Our school values underpin everything that we do at Fawkner Primary School and are part of everyday life for the staff, students, and families.

We promote the school as a safe, fun learning environment where every child is valued, and all children are challenged to achieve their best. Our values uphold everything we do at Fawkner Primary, and help to maintain our integrity for being the best school members we can be.

Respect - We are respectful when we are polite, considerate, and thoughtful to all others regardless of gender, age, race, religion, or ability. We show respect to our friends, our family, teachers, and members of the community. We also try to earn the respect of others.

Honesty - When we are honest, we are being open and truthful in our actions, thoughts, and words. Honesty shows both self-respect and respect for others.

Kindness - When we are kind to others, we are practising how to be caring and helpful citizens of our community. Kindness is something that doesn’t cost us anything, yet it is a valuable trait to have and will help us to succeed in life. We are demonstrating positive life skills when we are being kind to others.

Responsibility - Being responsible school members means looking after ours and other people’s belongings and taking pride and care in our work, as well as our actions. The school has a comprehensive Personal Development Program that centres on children taking responsibility for their actions within the school context.

Effort - We always strive to achieve excellence in everything we do at school and at home in our personal lives. Being the best doesn’t always mean winning, it means that we have tried our hardest and put in 100% effort.
