## MESSAGE FROM THE PRINCIPAL

### **Meet the Teacher Day**

It was great to see families visit the school last Tuesday and meet their children's teachers. Students were excited to show off their classrooms and talk about what they are doing in Term One.

### **Voluntary Contributions**

Thank you to the families who have made voluntary contributions – you may have heard/seen in the news this week that many schools are setting these contributions at over \$600 per child. At Fawkner Primary School our School Council made the decision to keep the voluntary contribution amount at \$250 which contributes to the cost of in class supplies, iPads and Chromebooks, and supplies for our Specialist Programs. Contributions can continue to be made via Compass in part or whole payments.

### **Chinese New Year, Ramadan and Lent**

Many families in our school have been celebrating different events with their families this month. We hope that you enjoy this special time together with your family.

### **Parent Behaviour**

I would like to remind parents and carers of the following– if you have concerns about another child, please do not approach that child or their family to discuss your concerns. Please speak with your child's teacher, a member of staff on yard duty, or inform a member of our leadership team, so we can address your concerns.

We want to ensure that all of our school community, both children and adults, are demonstrating our values of **Respect** and **Kindness**.

### **NAPLAN- Year 3 and 5 students**

NAPLAN provides a snapshot of students' learning strengths and areas of development. Our staff have been preparing students for the upcoming NAPLAN assessment in March. This involves making them familiar with the online platform, the types of questions they will be asked, and test taking conditions.

### **Staffing Update**

We would like to inform the school community that our Disability Inclusion Leader Rebecca Thompson has been appointed the role of Diverse Learner Education Improvement Leader with the Department of Education for the remainder of 2026. We would like to welcome our new Disability Inclusion Leader, Rita Davide, who will commence with us next week. She is excited to meet our school community and has a passion for supporting staff, families and students to meet their learning goals.

## COUNTRIES CELEBRATED IN FEBRUARY ASSEMBLIES

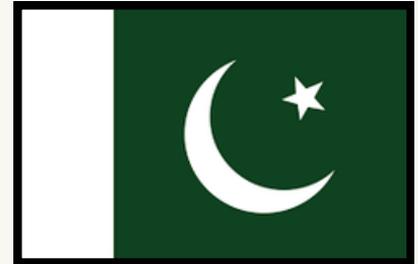

Fawkner Primary School is a very multi-cultural school community. Commencing this term, at each assembly, our Student Leaders have been sharing information about a country that students and staff from our school have a cultural link to. We have learnt where the countries are located, what the most spoken language is, and the country's population. We have also displayed a copy of the flag in our BER building where we host our assemblies, and in our school office area. We look forward to learning about the many countries throughout the year. These are the countries we celebrated in February.

**BANGLADESH**

**LEBANON**

**PAKISTAN**

**ACKNOWLEDGEMENT OF COUNTRY**

*Fawkner Primary School acknowledges the Wurundjeri People of the Kulin Nation, the Traditional Owners and Custodians of the land on which we learn and play.*

*We pay our respects to Elders past and present and any Aboriginal or Torres Strait Islander peoples here with us today.*

*We feel proud to be part of a caring school community near the Merri Creek, and we will continue to respect and look after this special place of the Wurundjeri people.*

*Ngoon Godgin (thank you in Woi-wurrung)  
say: Noon-go-jin*

## ACKNOWLEDGEMENT OF COUNTRY

As part of our commitment to the Marrung Education Plan, we are enhancing our practices to develop our school community's knowledge of the rich and thriving culture of First Nations peoples.

We have updated our Acknowledgement of Country to reflect the traditional owners of the land, and our proximity to Merri Creek. You will hear this Acknowledgement of Country read out at our weekly assemblies by our student leaders.

## FAWKNER FUN DAY!

**Join us for a day of fun!**

### **House Sports Carnival – Morning**

We are excited to be running our House Sports Activities as part of Fawkner Fun Day on April 1st.

This event is a wonderful opportunity to bring together the whole school community through a series of team-building and problem-solving tasks and games.

Students will be placed into small groups with other students from across year levels, in the same house, completing various activities.

Students are encouraged to wear their house colours in the morning e.g. a coloured t-shirt or a ribbon, as we continue to promote our house competition.

Families can come along to cheer on and support their children and their house team.

More details can be found on Compass: Events.

# FUNDRAISING TO IMPROVE OUR SCHOOL OVAL

## The Importance of a Quality School Oval

Learning doesn't only happen in the classroom. A well-maintained school oval plays an important role in supporting students' physical health, social development and overall wellbeing.

A quality oval provides a safe space for students to run, play and participate in sport. Regular physical activity improves fitness, coordination and concentration, helping children return to class ready to learn.

The oval is also where students build teamwork, resilience and confidence. During play and PE, they learn to cooperate, include others and resolve conflicts. A safe, even surface further reduces the risk of injury and allows all students to participate confidently.

Time outdoors also supports mental health, reducing stress and strengthening friendships.

A great oval is more than just grass – it is a foundation for healthy, active and connected learners.

## Supporting Improvement Through the Colour Run

To help address these issues, we are raising funds through the Colour Run.

Monty's Colour Run is a fun, high-energy event that encourages students to be active while building community spirit. Every dollar raised will contribute towards improving our oval, helping to create a safer, more functional and more enjoyable space for all students.

By supporting Monty's Colour Run, families are directly investing in their children's health, safety and play opportunities. Together, we can work towards transforming our oval into a space that truly supports the needs of our growing school community.

We look forward to your support in making this important improvement possible.

Information will be sent home next week.

## ST BASIL'S COMMUNITY VISIT

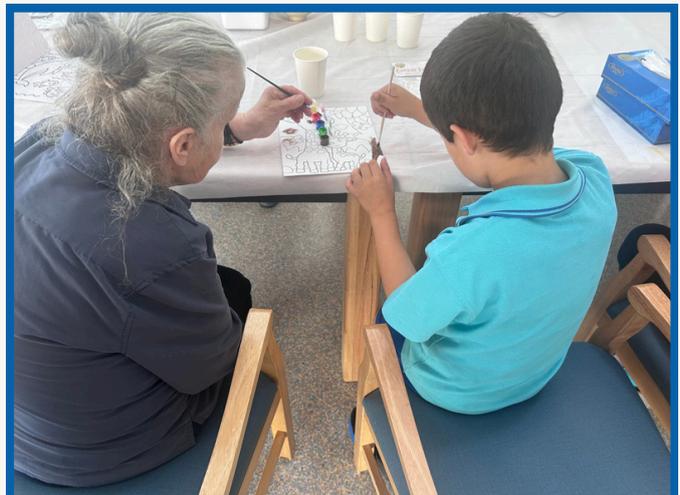

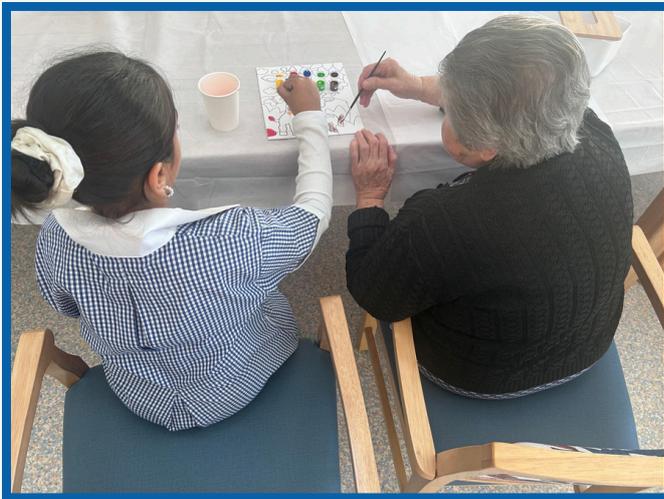

This term a number of our Year 4 students will be visiting a local aged care home. During their visits, they participated in activities with the residents.

These visits provide both our students and the residents an opportunity to connect with someone from a different generation, develop understanding and work together to complete a task.

*We walked there and said "Hi" to the residents. They offered us some tasty fruit and OJ. We had a talk to some of them about our school and what we do. I asked the lady I was talking to what her favourite colour was. She said "All of them!"*

*Some of them didn't speak much but that was ok because we painted together. We painted a giraffe. It was a great experience and other students should do it too if they get the chance.*

*By Arish, Christian and Sheza*

## FAWKNER SPOTLIGHT – KIDS NEWS

We're getting ready for an exciting season of filming **Fawkner Spotlight!** 📺✨

Our young news hosts will be learning all about the filming equipment, camera techniques, reporting skills and editing to bring these broadcasts to life.

This club will help build confidence in our young journalists and create engaging, high-quality news segments for our audience. Our initial Kids News team will then go on to train other students in the role.

Looking forward to seeing the next generation of storytellers!

*Some of the things we will learn:*

*How to speak on camera, speaking with confidence, using the camera and how to film a news report.*

*Some of the things we are looking forward to:*

*Using the camera, learning to use the green screen and the rest of the gear. Everything, especially when we starting filming!*

*By Rameen, Azhar and Penny.*
