## MESSAGE FROM THE PRINCIPAL

### **FAWKNER FUN DAY**

What a wonderful way to finish off Term One with our exciting, colourful, and messy Fawkner Fun Day! Even though it was a little bit gross getting slimed, it was such a fun event to be part of! Congratulations to all of the students who took part and well done to those who fundraised for the school, your support is greatly appreciated. Congratulations again to the top fundraisers throughout the school- Alvin, Haziq, and Amna. Students have had the opportunity to choose from the list of prizes as a reward for their fundraising effort. These will be delivered later this term.

### **AEU INDUSTRIAL ACTION**

Term Two sees some industrial actions taken by staff who are AEU members. These will include:

- a half day stop work on Wednesday, 6 May. Further communication will be provided to families closer to the day, informing them of which classes will be impacted.
- not providing written comments for Semester One reports. Some grades will not get comments about their progress. However, students will still receive a teacher judgment score (progression point), which shows where the student is currently working at in each subject e.g. working at level, above level or below level.

### **STUDENT MOBILE PHONES & SMART WATCHES**

If students have a mobile phone, it is to be stored at the school office during the school day. Students follow a process of signing in their phone in the morning and have their phone stored in the office, and then students sign out their phone at the end of the day.

Please note that students who have watches with phone connectivity are not to use the phone connectivity during the school day, unless there is permission from the school principal.

### **NEW ADDRESS**

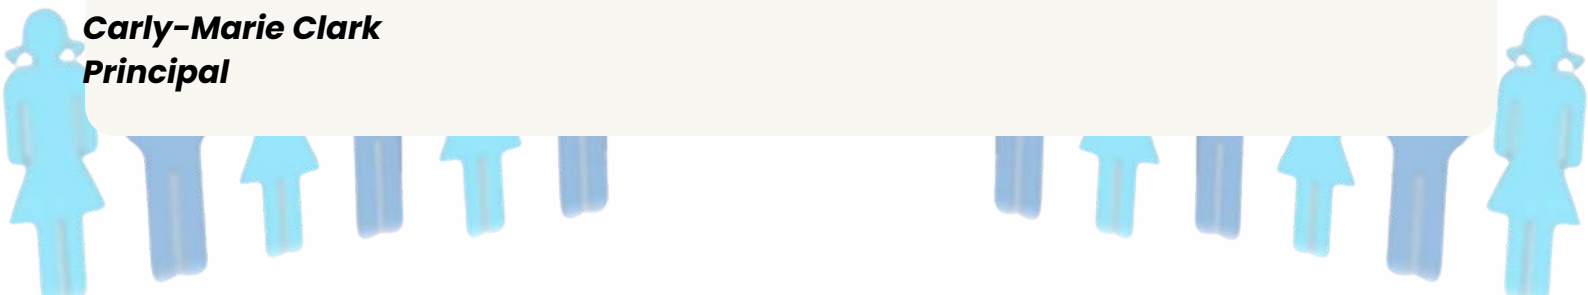

Our school now has a new address, which will make it easier for emergency services, deliveries, and Australia Post to find the correct entrance of the school. Our new postal address and location address is **19 McBryde Street, Fawkner**.

### **STUDENT SUPERVISION- BEFORE SCHOOL**

Please note that our **school yard is supervised by staff from 8:45am**.

If your children are at school before this time (unless they are attending breakfast club), parents/carers are required to supervise their children. Thank you for your support in this matter.

## COUNTRIES CELEBRATED IN APRIL ASSEMBLIES

Fawkner Primary School is a very multi-cultural school community. Commencing this term, at each assembly, our Student Leaders have been sharing information about a country that students and staff from our school have a cultural link to. We have learnt where the countries are located, what the most spoken language is, and the country's population. We have also displayed a copy of the flag in our BER building where we host our assemblies, and in our school office area. We look forward to learning about the many countries throughout the year. These are the countries we celebrated in April.

**TURKIYE**

**EGYPT**

**NEW ZEALAND**

**ACKNOWLEDGEMENT OF COUNTRY**

*Fawkner Primary School acknowledges the Wurundjeri People of the Kulin Nation, the Traditional Owners and Custodians of the land on which we learn and play.*

*We pay our respects to Elders past and present and any Aboriginal or Torres Strait Islander peoples here with us today.*

*We feel proud to be part of a caring school community near the Merri Creek, and we will continue to respect and look after this special place of the Wurundjeri people.*

*Ngoon Godgin (thank you in Woi-wurrung)  
say: Noon-go-jin*

An illustration at the bottom of the text box showing three native Australian animals: a magpie on the left, an echidna in the center, and a booby on the right.

## ACKNOWLEDGEMENT OF COUNTRY

As part of our commitment to the Marrung Education Plan, we are enhancing our practices to develop our school community's knowledge of the rich and thriving culture of First Nations peoples.

Our Acknowledgement of Country reflects the traditional owners of the land, and our proximity to Merri Creek.

You will hear this Acknowledgement of Country read out at our weekly assemblies by our student leaders.

## RIDE TO SCHOOL DAY

At the end of last term, Fawkner Primary School was buzzing with energy as students took part in Ride to School Day.

Many students arrived at school on their bikes and scooters, enjoying a healthy and active start to the day. It was fantastic to see so many riders travelling safely with their helmets on and arriving with big smiles.

Ride to School Day is a wonderful way to encourage students to stay active, build confidence riding, and reduce traffic around the school. The strong participation from our school community made the day a great success.

Thank you to all the families who supported students to ride or scoot to school and helped plan safe routes. We hope the day inspires more students to keep riding to school whenever they can!

# FAWKNER FUN DAY

## House Sports Carnival

The recent whole school sports carnival, held as part of the vibrant Fawkner Fun Day, was a fantastic celebration of community, teamwork, and school spirit. Students from all year levels eagerly participated in a wide range of events, from classic tug o war and relay races to novelty games that had everyone cheering and laughing.

The atmosphere throughout the day was electric, with families and staff coming together to support the students. Colourful house shirts, enthusiastic cheers, and plenty of friendly competition made for an unforgettable experience.

A highlight of the carnival was the strong sense of inclusion, with activities designed so that every student could get involved and enjoy success. Whether competing on the track or cheering from the sidelines, everyone played a part in making the day special.

The event not only promoted physical activity and healthy competition but also strengthened connections between the school and the wider Fawkner community. A big thank you goes to the staff, student leaders, and organisers who made the day run so smoothly.

Overall, the sports carnival was a huge success and a standout feature of this year's Fawkner Fun Day, leaving students with lasting memories and plenty of smiles.

# FAWKNER FUN DAY

## Monty's Colour Run

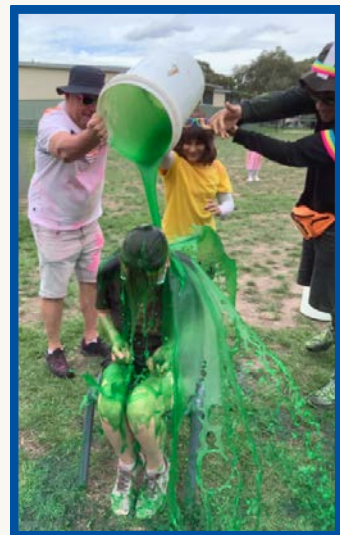

Monty's Colour Run was a highlight of the day, bringing energy, excitement, and plenty of colour to our school community! Students had an amazing time running, laughing, and getting covered in vibrant powders as they made their way around the course. It was great to see some family members join in the fun too!

A huge thank you goes to our wonderful families for their incredible fundraising efforts. Together, our community raised an outstanding \$6316, which will go towards improving our school oval. This generous support will make a lasting difference for all students, helping to create an even better space for play, sport, and outdoor learning.

To top off an already incredible day, three of our brave staff members were slimed as part of the grand finale—much to the delight of cheering students! It was the perfect way to celebrate everyone's efforts and end the day on a high. Congratulations to Elvin, Haziq and Amna who slimed the staff. They did a wonderful job contributing to this fantastic effort.

The Colour Run was not only super fun and full of excitement, but it also showcased the strong sense of community that makes our school so special. We are so grateful for the enthusiasm and support of our families in making this event such a success.

# FAWKNER FUN DAY

# JOHN FAWKNER STEM DAY

At the end of last term our Year 5 students attended a fun STEM day at John Fawkner College. The activities were run in partnership with the STEM Centre of Excellence and the University of Melbourne.

Students took part in a range of exciting, technology-focused activities designed to spark creativity and explore new ideas in STEM learning.

It was great to see students working collaboratively with Moomba Park Primary who were also attending. Students explored the use of drones, reconstructed skeleton models and team problem solving. They even had the chance to see some former students who are flourishing at John Fawkner collage.

### **How schools connect with The Orange Door**

Our school might talk to a student and/or their family about The Orange Door. We might encourage them to contact their local Orange Door to get advice and help if needed. Ideally, a student and/or their family will get in touch with The Orange Door to seek advice and support.

Sometimes, schools might make a referral to The Orange Door without the student or their family's knowledge or consent. Schools will do this if:

- informing a student and/or family increases the risk to their safety or wellbeing
- not linking a student to support increases the risk of their safety and wellbeing.
